Future Event Chairing and Hosting

- Beth and Jared will continue to Chair and Host
- Beth suggests that we would keep it on a school day and may need to move to two school days. (If we have more than 14 groups.)
 - There seems to be a general understanding from administrators that you miss school for assessment.
- Dates: March 23rd and 24th, 2023 at Eastern Mennonite School
- District Event
 - Terri - What is wrong with using the district audition, the audition itself, for the state audition?
 - Nathan - the state is controlling the sight reading and they are unwilling to send the sightreading to us in advance.
 - Jeff - maybe one more year as a one day event? Effort to accommodate the transition out of the pandemic, but then come back to a two day event.
 - Nathan - everyone to think about this and make the decision at the September meeting.
